HHI Data Confidentiality Statement

Confidentiality:

HHI agrees that all information and energy data which may be disclosed in writing, orally or by observation and which is nonpublic, proprietary, a trade secret, or confidential in nature will be kept in confidence. This confidentiality restriction specifically includes all information shared within EPA ENERGY STAR Portfolio Manager, a sharing requirement of the HHI Leaner Energy challenge.

Presentation of Data:

HHI agrees it will only publish or present any information provided by HHI-enrolled hospitals in the aggregate or with written permission from the hospital.
